

## Wine List

Our Wine list is a collection of carefully selected wines that we offer to you, our guests, to enhance your dining pleasure. We are offering what we feel are high quality as well as great value wines by the glass or bottle. To assist you with this process, the list is arranged from sweetest and lighter-bodied to driest and fuller-bodied.

Sparkling wine and champagne adds an air of festivity to any occasion. White Zinfandel would be a great choice for those with sweeter taste in wine. White wines take on many characteristics, depending on their variety, but generally enhance poultry, seafood and white sauce dishes. Red wines on the other hand, known for a fuller, robust body and their richness of flavor, will compliment such wonderful dishes as steak, Italian dishes with red sauce, and many other dishes that are richly seasoned, and flavorful. Why not enhance your meal with a selection from our extensive wine list.
